FAQs

How do we pay for the package?	You pay the total amount to the venue broken up into installments.
Will I have independent communication with each vendor?	Yes. Once the contract and retainer are received, the Event Manager will contact each vendor to reach out and introduce themselves.
Can I substitute any vendors in the package?	No sorry. No substitutions are allowed.
Can we add upgrades with each vendor?	Yes! Each vendor allows you to go above and beyond what is listed in the all-inclusive package. You can discuss your needs/wants with each vendor individually and arrange payment for additional items through them.
Can we bring in additional vendors to fit different needs/wants?	Absolutely.
What if a vendor is not available for my date?	If one of our all-inclusive vendors is not available, we have several other preferred vendors on our list that we can choose. Our industry is full of some very talented vendors and will not disappoint.
So, what is left for us to get?	Invitations, cake/dessert, linens, and attire. Perhaps hair, make-up, seating chart, and favors.
