FAQs

How much does the package cost?	\$500 added onto venue rental fee.
How do we pay for the vendors?	You will pay each vendor separately. We can handle all payments with your credit card if desired.
Will I have independent communication with each vendor?	Yes. The event manager will reach out to each company to check availability and start the booking process. You can either communicate with them directly or let us handle it.
Can we chose any vendor that isn't on your preferred list?	Yes, as long as they are licensed and insured - just keep in mind they may not offer a Tringali discount.
Do I still need a planner?	For weddings, yes. We coordinate your vendor team, and the planner will coordinate set up, clean up, rehearsal and timeline.
